

Waste Electrical and Electronic Equipment Civic Amenity Site Forum (WEEECAF): a discussion forum to identify and promote good practice.

WEEECAF Mission Statement

The aim is to create an integrated approach between all stakeholders to achieve a practical and robust implementation of the WEEE regulations.

Provide a mechanism for all involved parties to:

- To exchange information
- To identify key issues
- To understand the interactions
- To promote good practice
- To create a platform for informed decision making
